On a day when the PM gave the go-ahead for the 7th pay commission, Muslim leaders demanded a Delimitation Commission, as suggested by the Sachar Committee, to take a relook at assembly constituencies with high Muslim population reserved for SC candidates. The Sachar Committee had noted that the matter was in the purview of the Delimitation Commission. On September 16, when Muslim leaders met the PM about the communal violence in Muzaffarnagar, Zakat Foundation of India’s president Syed Zafar Mahmood had reminded Manmohan Singh about the anomaly. “The PM told us that in view of the upcoming election how can a delimitation commission be appointed now?” said Mahmood.

NEW DELHI, MARCH 2

NATIONWIDE, wakf properties constitute a land bank worth Rs 1.2 lakh crore and could have generated annual returns of Rs 12,000 crore but yield only Rs 163 crore, the Sachar Committee had observed. To correct this, the committee had recommended a new cadre of officers, on the lines of the civil services, so that the state wakf boards and Central Wakf Council would be managed better.

The Ministry of Minority Affairs turned down the recommendation, saying a new cadre is neither practicable nor legally feasible.

Alternate Admission Criterion

In order to facilitate admissions to the 'most backward' amongst all the SRCs in the regular universities and autonomous colleges.
State funding should be linked to the use of such criteria in admissions by the educational institutions.
Statement 12.1

Alternate Admission Criterion

Merit + Backwardness

to be defined as the sum of the following
(Each with about one third weight)

(1) Household income
   (income criteria to be revised periodically)

(2) Backward district
   (list to be updated on annual basis)/residence in a
   notified urban slum

(3) Backward class
   (assessed based on a combination of family occupation and caste)
This system should help the poor among all communities. As a complement to the first strategy, part of state funding can also be linked to the use of such criteria in admissions by the educational institutions.
