INTRODUCTION

During the last seven decades there has been tremendous increase in the number of poor orphans, widows, patients, disabled and needy among the Muslims of India who constitute 14.2 percent of the population of our beloved country (as per Census 2011). Such a pathetic condition is definitely a cause for serious national concern. Innumerable widows and poor women and men live under deplorable circumstances of want and squalor. Tens of thousands of children are not able to enjoy their innocence and have, instead, to work in tea shops and similar other places. Young illiterate girls in large numbers stare into the eyes of their poor parents anxiously awaiting matrimony. Sometimes people have no option but to beg on the street. Many of our youth do not have access to education despite having intellectual capacity to do so.

Children are God's gift to us. They become the medium of God's kindness to the humanity. They constitute our future generations. It is crucial to ensure good education for them so that they may imbibe high moral values and a balanced personality. They are supposed to be a source of domestic and social pleasure and a channel for our ultimate salvation in the life hereafter. The community has moral obligation to take substantial steps for ensuring proper upbringing and educational development of the orphans and other poor children.

There is Godly injunction for helping the orphans, widows, poor, the needy neighbour and the downtrodden. Faith binds us to give precedence to their requirements over ourselves.

Thus some seriously concerned citizens of India got together and established Zakat Foundation of India in 1997. This organization has been able to bring happiness and prosperity in a large number of poor families and has been helping the orphans, widows, the old persons, the students, the girls for marriage, the deprived and the displaced etc. Praise be to God, the Cherisher and Sustainer of the worlds, Most Gracious, Most Merciful.

The ZFI's is now an ongoing organized process running continuously year after year. Yet thousands of additional hopefuls still look towards the Foundation which, though being conscious of their pain, finds itself incapacitated to help them for want of sufficient resources. Hence we request you, Ladies and Gentlemen, to generously contribute in the cause of humanity.

Empowerment through affirmative Action, as enshrined in constitution of India (Art. 16)

Children at Happy Home Bahraich after Eid Namaz

Happy Homes (for Boys & Girls)

ZFI runs two Happy Homes (one each for girls and boys) in New Delhi and a third one for boys in Bahraich (U.P.). Most of the children are from riot affected areas of Assam & Gujarat.

At "Happy Homes (Boys & Girls)" arrangements are going on for food, shelter, clothing, education, medical assistance and entertainment etc for these children. They study in the best school of the area. Happy Homes have their own transport. Additional tutors visit there for helping the children in homework and another set of tutors impart scriptural and moral education. They are even taken out for excursions. Large number of applications are still pending but the Foundation does not have resources to admit additional children.

Day Care Centers

Large number of unemployed young men and women offer their services on daily basis as construction laborers against paltry wages. Their small children remain uncared for. ZFI has established two Day Care Centres in Delhi and one in Aligarh to look after such children including their safety, comfort, food, milk and initial level of education.

Sir Syed Coaching & Guidance Centre for Civil Services

In 2007, Zakat Foundation of India established Sir Syed Coaching & Guidance Centre for Civil Services in Delhi and took upon itself the responsibility of financing the best possible coaching to the academically bright but financially needy candidates for civil services competitive examinations of UPSC. They are known as ZFI Fellows.

Competitive Cycle

ZFI organizes its all-India entrance test and viva. Based on these, ZFI Fellows for that year are selected out of those who are most brilliant but also most needy. These Fellows begin their coaching in the country's top level coaching institutes in Delhi from July. They write their Prelims in July next year, Mains in following November followed by UPSC Interview in next April. The final result is declared in May. During this competitive cycle of 22 months the ZFI Fellows stay in ZFI's civil services hostels in Delhi. Thus, one competitive cycle is of 22 months during which ZFI spends, on the average, Rs 2 lakh (USD 3,000+) on each candidate. You are welcome to contribute.

But, all this is still insufficient. Muslims are badly lagging behind all other socio religious groups by way of representation in governmental decision making and implementation. Hence, ZFI has planned to establish in Delhi Sir Syed Coaching & Guidance Centre for 500 candidates including their residential facility. Jamiat-Ulema-e- Hind (Gen. Sec. Maulana Mahmood Madani) has dedicated its plot of land in NCR on which construction has begun, with God's grace. You are cordially invited to contribute to this noble cause nation building.

Darul Hijrat

God says in Holy Quran (59.8): Charity is also for the poor emigrants who have been driven from their homes and their property, as they were seeking favor with God and His pleasure. Thus, ZFI has earmarked its plot of land measuring 1,100 sq met. in New Delhi and has, since 2012 accommodated 220 Rohingya refugees there. It's known as Darul Hijrat.The Rohingya children's education is also sponsored by ZFI. On April 15, 2018 there was post-midnight fire in Darul Hijrat.With God's grace there was no loss of life nor anybody was injured. But the bamboo huts and the refugees' belongings got burnt. With your kind help they were immediately provided tents (first three days free by Delhi Govt.) for which ZFI is paying rent @ Rs. 10,000/- per day. They were also provided food and other items of daily need.

Besides, reconstruction has begun on ZFI site now with steel pipes and metallic roof & partitions including separate toilets & baths for ladies and gents as well as common area for tuition, study and prayer.

TARBIYAT

From ZFI's Department of Scriptural & Prophetic Traditions (DSPT), we publish quarterly bulletin 'Zakat India' and small pamphlets on various issues like consideration to neighbours, cultivating members of extended family, need for circulation of wealth in circulation of wealth in society, etc. Translation of Friday Khutbah is put up inside the masjids; books on standard khutbahs are distributed among imams & khateebs. Masjids are encouraged to open within their premises Daarul Mutala' wa Markaz Ittela'aat, i.e. Reading Room cum Information Centre. Muslims are advised to avoid offering congregational namaz on roads blocking the traffic and also to be discreet in calling of azaan so that its decibel level does not disturb the believers of other faiths.

As'haab-as-Suffa Institute for Imams & Khateebs:

In Zakat House, Madanpur Khadar, Delhi, ZFI has established As'haab-as-Suffa Institute for Imams & Khateebs. Monthly refresher courses are organized for Imams & Khateebs who are addressed by national level Ulema and Scholars; each session is followed by group discussion. Imams & Khateebs are empowered with detailed information about welfare schemes available for community uplift, nuances of Right to Information Act, importance of Adhaar card, Waqf laws & rules, vitality of being a part of the Government etc. The significance of periodically explaining the meaning of Arabic Khutba as well as the Quranic ayaat recited during Friday Namaz is brought to their attention.

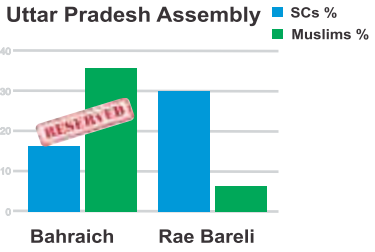
For several years Zakat Foundation of India has been distributing monthly requirement of raw food items and oil / soap / detergent etc. among indigent widows and other indigent persons. Yet a long list of such applicants is still pending with the Foundation. The Foundation appeals to you for your generous donation.

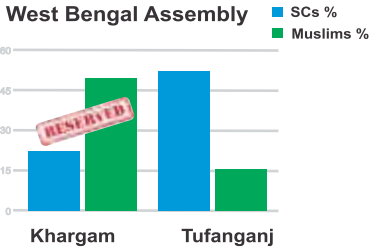
Help For Marriage of Poor Girls

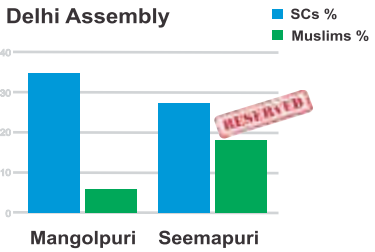
Poor and needy girls are helped by the Foundation for their marriage. So far an amount of Rs. 2 million has been spent by the Foundation for helping in the marriage of hundreds of such girls. Yet a large number of girls are still waiting for help. The Foundation requests you to participate in this social development work.

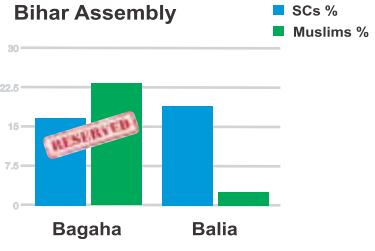
Help to widows and other indigent persons

For several years Zakat Foundation of India has been distributing monthly requirements of raw food items and oil/soap/detergent etc. among poor widows and other indigent persons. Yet a long list of such applicants is still pending with the Foundation. The Foundation appeals to you for your generous donation.









Disproportionately very low Muslim representation in Parliament & Assemblies

In 2006, the Sachar Committee (officially named as Prime Minister's High Level Committee on Muslims) pointed out that the Muslim pre-dominant constituencies of parliament & state assemblies are erroneously reserved for Scheduled Castes; thus, no Muslim can contest from there. For instance, Nagina (State of UP) with 53.54% Muslim population is reserved for Scheduled Castes (21.34%). Conversely, in the same state, Mainpuri (5.4% Muslims & 19.82% SCs) and Banda (5.81% Muslims & 23.53% SCs)are not reserved. Likewise, Khargram in West Bengal with 50% Muslims is reserved for SCs who are only 23% there. Conversely, in west Bengal itself, Tufanganj with 53% SCs is not reserved while Muslims there are 16%. Such country-wide aberrations violate the Representation of the People Act according to which those constituencies should be reserved where SCs percentage is the highest. Hence, Sachar Committee strongly recommended that the next Delimitation Commission should be immediately mandated to look into and remove these anomalies, but this has not happened. ZFI runs its regular Department of Delimitation and, based on its researches, it has been vehemently piloting the implementation of this Sachar recommendation. Presentations were made by the ZFI President before the Prime Minister Mr Narendra Modi, the Congress President Mr Rahul Gandhi and other political leaders. ZFI report is under publication based on which it will approach the court seeking remedial orders.

Delimitation Academy and Cadre of Officers

Besides the Lok Sabha and Assembly electoral constituencies the issue of under-representation of Muslims is equally severe in the urban & rural local bodies like Municplal Corporations (Nagar Nigams), Zila Parishads, Panchayat Samitis, Nagar Panchayats, Gram Panchayats etc. Every tenth year, in the light of the published figures of the latest Census, the delimitation of the boundaries of the local Wards (Nirvachan Kshetra) is changed by the State Election Commission; this is a requirement of law. But, in the process, the Rules & Regulations are often neglected by the election machinery to the detriment of the deprived people further lowering their representation.

ZFI has been taking up the matter with various election authorities and even in courts with substantial success rate.

For this long term purpose, ZFI has planned to establish a Delimitation Academy and a Cadre of ZFI's Delimitation Officers so that such noble work of preservation of the Constitutional values and true democratic spirit of our great Indian nation are strengthened and cherished.
